Last year a contest was held to determine a permanent school seal. All students from grades seven through twelve were eligible to enter their ideas. The administration established rules for conducting the contest. We are proud to announce that David Boyer, a member of the class of 1963, produced the winning seal. It was chosen to represent Northern Lebanon on jewelry, stationery, and other school supplies. The seal will appear on the standard ring this year.

The seal, in its emblematic design, symbolizes various aspects of education. It can properly be divided into three distinct phases. First, one can visualize the goal of education that can be attained. This is characterized by the torch of knowledge in the seal. This torch represents an era in learning that is lasting for those who strive for it. Secondly, the means by which this education can be obtained. The book of knowledge, the steps to wisdom and success, and the key to learning are the essential means shown in the seal. Third and lastly, one can see the reward of education. The mortar board and the diploma, or sheepskin, are the symbols of completion of an area in learning.

NORTHERN LEBANON

DEDICATION

We, the class of 1963, proudly dedicate this thirteenth edition of the Archive to Harlan Daubert and the Band. Mr. Daubert graduated from Lebanon Valley College, Penn State University, and Lehigh University. He has been with the Northern Lebanon School District for 14 years. The fruits of the hard and fine work with the band have been shown when they won first place in many competitive parades in the area and also when they won first and superior rating in a parade in Harrisburg. The Band had the highest number of possible points and was awarded the Claude M. Rosenberry trophy. We have a fine band at Northern Lebanon through the continued efforts of Mr. Daubert. We, the class of '63, thank you sincerely.
